25X1 5. [] Talked with Bob Michaels, House Appropriations Committee staff, who stated that the Chairman had indicated the Subcommittee had fully completed the budget hearings. He had no idea when they would schedule our next meeting.

25X1 6. [] Talked with Bill Lewis, in the office of Senator Margaret Chase Smith. I requested that he extend to the Senator an invitation to address the Mid-Career Course on 13 June at ten o'clock. I gave him some background on this. Mr. Lewis said he would take this up with the Senator and advise. I also indicated that I had discussed with the Senator the matter of the Agency briefing Bill Lewis on the Agency's functions and missions and that she approved this. Therefore, I extended him an invitation to do this at his convenience. He said he would very much like to do this but suggested that since he will be away from the office, we recontact him after the 4th of July.

25X1 7. [] Met with Mr. Phil Kelleher, Counsel, House Armed Services Committee, and reviewed with him much of the substance of the Agency legislative proposals pending before the Committee. Mr. Kelleher had several suggestions foremost of which was a recommendation that all proposals for consideration by the Committee now be drawn together in a single bill which can be considered either as a Committee draft or for submission to the House of a new bill to supersede H.R. 14590, which would then be considered by the Committee. The bill will be redrafted and a further meeting is scheduled with Mr. Kelleher for tomorrow afternoon.

25X1 8. [] Although I attempted to see Mr. Michaels, House Appropriations Committee, he was tied up the entire day with the Committee Chairman in preparation for a bill markup tomorrow.

25X1 9. [] Arranged with Mr. Gordon Murphy, Administrative Assistant to Senator Paul Fannin (R.-Ariz.) for the Senator to attend a breakfast meeting at Headquarters at 8:00 a. m. on 9 June 1966. The breakfast has been confirmed on the Director's calendar.
